

9th November 2021

Dear Parent/Carer,

COVID-19 LFD Test Reporting

Thank you to everybody who has been recording results weekly. We strongly ask that all students take the test twice a week and record the results. It is very important to keep everyone safe.

We are changing the way we record COVID-19 LFD test results. We will now be using a system called Test Register and you will receive an email twice weekly on a Wednesday and Sunday providing you with a link to record your lateral flow test results.

You will be able to manage your consent settings and the link will also direct you to register your result with the NHS.

If you have any questions please do not hesitate to contact the office.
Email office@theparkcollege.org or 020 7735 4154.

Thank you

Catriona
Catriona Guyler-Kone
